F8 MEDIA STUDIO

Multichannel Network

INVESTOR PITCH DECK

Raising $1,500,000 to Build the Leading YouTube Multi Channel Network

3 Revenue Streams · 36-Month Roadmap · $9.78M+ 3-Year Revenue Potential

EXECUTIVE SUMMARY

Who We Are

F8 Media Studio is a next-generation YouTube Multichannel Network (MCN) built on three proven pillars: owned faceless channels, licensed international drama localization, and full-service creator management.

We bring together content production, IP protection via Content ID, AI-driven SEO, and professional editing — all under one roof — to capture the massive and growing opportunity in YouTube global market.

VISION & MISSION

Our Vision

To become a leading force in global YouTube content management — revolutionizing the digital entertainment landscape through localized, high-quality content that resonates with diverse audiences worldwide.

Our Mission

To deliver exceptional content, drive audience engagement, and maximize profitability — expanding viewership across multiple regions and languages through AI-powered operations and world-class creator partnerships.

THREE REVENUE PILLARS

01

Own Channels

Faceless Production

- Kids, history, finance, business verticals
- 100% in-house production team
- Thumbnail, SEO & editing all handled internally
- Target: 12 channels by Year 3
- Finance/business CPMs: $12–18
- Revenue from Month 6

02

Licensed Dramas

Global Localization

- Acquire international dramas (Chinese, Korean, etc.)
- Dub into Hindi, Tamil, Telugu, Malayalam & more
- Dedicated language-specific YouTube channels
- Target: 50 titles licensed by Year 3
- Proven model — 100M+ views per series
- Revenue from Month 3 on upload

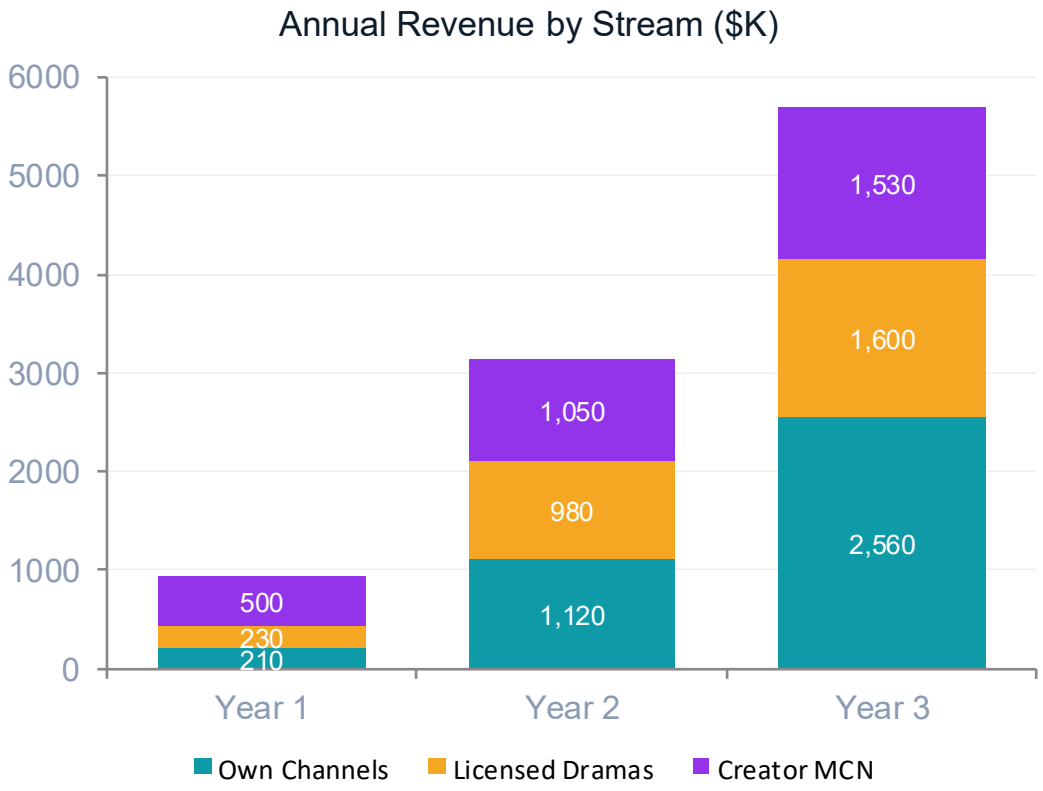

03

Creator MCN

Talent Management

- Onboard creators earning $100K+/yr AdSense
- Content ID — full IP protection
- SEO, editing & thumbnail services
- AI-powered accounting & admin
- **15-20**% rev share + $500–1,500/mo services
- Revenue from Month 3

Total headcount: 22–30 Full-time Employees by end of Year 1 · Scaled to 40–55 by Year 3 · AI tools replace ~6 traditional admin roles

36-MONTH EXECUTION ROADMAP

Phase 1

M1–M6

Foundation

- ✓ Incorporate & set up ops
- ✓ Hire core team (15 Full-time Employees)
- ✓ License 6–8 drama titles
- ✓ Onboard 8–10 creators ($100K+ each)
- ✓ Launch 2 own channels
- ✓ Begin dubbing into 3 languages

Phase 2

M7–M18

Growth

- ✓ Scale to 20 Full-time Employees
- ✓ Launch 4 more own channels
- ✓ License 20 total titles
- ✓ Grow MCN to 25 creators
- ✓ Reach cashflow positive (M11)
- ✓ Hit $3M annualized run rate

Phase 3

M19–M36

Scale

- ✓ 40–55 total team
- ✓ 12 own channels live
- ✓ 50 licensed titles
- ✓ 80+ creators in MCN
- ✓ Launch Series B / reinvest
- ✓ Target $7M+ Year 3 revenue

RISK & MITIGATION

Risk	Impact	Mitigation Strategy
Creator churn	High	12-month contracts, best-in-class services, rev share incentives
CPM compression	Medium	Diversified genres — finance CPMs ($12–18) buffer lower categories
Licensing cost overrun	Medium	Phased acquisition; 12% working capital buffer built into raise
YouTube policy changes	Medium	Spread across 20+ channels; no single-channel revenue dependence
Own channel slow ramp	Low	MCN and Drama revenue covers cash burn during channel growth phase
